

Who are *Campers on Mission (COM)*?

Campers on Mission is a national fellowship of individual evangelical Christian campers who volunteer to share their faith and the love of Jesus while camping and/or participating in mission activities.

What is *Campers on Mission*?

COM Chapters or individuals select mission opportunities as they feel led. Some travel a little, others travel a lot. All members and officers are self-supported missionaries working without any expectation of reimbursements or income; however, it is a blessing when the camp or worksite provides free RV hook ups and meals when available. This allows the volunteer to travel more and stay longer.

What does *Campers on Mission* do?

Campers on Mission members accept short-term volunteer assignments across the United States and Canada.
